2 Year Distribution Systems Warranty **⊘**

While you rarely see them, essential functions such as electrical, plumbing and mechanical systems are working behind the walls of your new home. Your 2 year distribution systems warranty begins at closing and establishes the standards for your home's wiring, piping and ductwork.

10 Year Structural Warranty **⊘**

While your home was carefully constructed, occasionally unforeseen problems arise, even in the best-built homes. Your 10 year structural warranty provides coverage for structural defects from the day of closing and clearly defines the standards related to the structural integrity of the load-bearing elements of the home.
